Renewal trainings are offered through an online learning platform using both synchronous and asynchronous formats. Participants complete the 4 Modules within 2 months. Synchronous sessions will be offered throughout the 2 months of the course, and will support in amplifying the learning experience. Each module will span approximately 2 weeks, with prompts for assignment completion, peer review deadlines and opportunities to engage in discussion board conversations. Licensing Agreements will be renewed upon successful completion of the course. Cost is \$750.

Prior to submitting your application, please watch the NTC’s Renewal Overview video to support understanding and expectations for your Renewal experience, found on [ntcprojectglad.com](http://ntcprojectglad.com) under “Trainings.”

I have watched the Renewal Overview Video and understand the expectations of Renewal.
