

OCDE Project GLAD® National Training Center
Field Consultant Application
K-12 Renewal 2023-2024

OCDE Project GLAD® NTC Field Consultants are certified trainers working with the NTC or working through contracts they have entered into with districts and participants to provide OCDE Project GLAD® NTC Foundations Training and/or Customized Training. Field Consultants must attend Renewal Training every 2 years to remain active. If Renewal is not attended within the 2-year term, Field Consultant status is permanently removed and trainers become inactive.

Renewal trainings are offered through an online learning platform using both synchronous and asynchronous formats. Participants complete 4 Modules within 2 months. Synchronous sessions are offered throughout the 2 months of the course, and support in amplifying the learning experience. Each module will span approximately 2 weeks, with prompts for assignment completion, peer review deadlines and opportunities to engage in discussion board conversations. Licensing Agreements are renewed upon successful completion of the course. Cost is \$750.

Prior to submitting an application, please watch the NTC's Renewal Overview video to support understanding and expectations for the Renewal experience, <https://ntcprojectglad.com/trainings/tier-iii-iv-training/>

I have watched the Renewal Overview Video and understand the expectations of Renewal.
